

Dear Parent/Carer,

I am very pleased to be able to inform you that St Thomas More will be open to all students tomorrow as our fire alarm system is once again operational in the main teaching block. There are some areas of the school that will not be in use and these will be locked or physically blocked to prevent any students accessing them.

The following form classes will be relocated tomorrow:

7R T9 –T32
7A T3 – T12
7M T10 – T27
7H T19 – E3
7T T20 – T23
9T TE5 – CP4
9M TE6 – E6
10T T17 –T22
10A T16 – M7
8C T5 – E4
12R T18 – C10
12M T8 –C15

Students will be informed during registration of lesson room changes and notices giving details will be posted around the school building.

The Year 7 PE activities day will go ahead as planned tomorrow so all Year 7 students should come to school in their PE kit. The Year 9 PE day will go ahead on Friday and the Year 8 day which was cancelled on Tuesday will take place on Monday.

The PE presentation evening for Year 7 to 9 students will go ahead as planned tomorrow night at 6.30pm.

May I take this opportunity to thank you for your understanding and support over the past couple of days which, as you can imagine have been very challenging for staff in school. I will be writing to parents next week and will update you on the likely timescale for the restoration of the Design Technology area directly affected by the fire.

Mr Watson
