

# Wallsend Inspires Careers Fair

We want to support people living in the NE28 area to make informed decisions about the next stage of their education, training or their future career by bringing together businesses, institutions and organisations from all sectors.

The event will provide all members of the family with the best possible information and guidance to enable every person to identify routes

## The event consists of:

### Local businesses

providing information on what career opportunities are available now & in the future including apprenticeship information

### Training providers

offering information about work based learning

### Colleges and Universities

providing information on further & higher education courses and routes

### Information areas

answering your work, education & apprenticeship questions relating to travel, benefits, child care, finance & more...

Exhibitors include...
