

Bienvenue

Welcome

Willkommen

Hello to our new Year 7 students at St Thomas More!

We hope you are all well. At St Thomas More the language department is really excited to meet you all in person and looking forward to continuing your language learning journey.

In Year 7 everyone will be learning French. Some of you will have learnt French in Primary School and others will have learnt German, Spanish or even Italian! Don't worry if you haven't previously learnt French, you will have learnt lots of important skills already.

In Year 7 French you will learn:

- to talk about yourself
- to talk about your family
- about food and drink
- to talk about different aspects of school

In class you will do lots of different activities, including listening, reading, speaking, writing, language leaning games and songs in French.

In the meantime, we have set you a transition task and we look forward to seeing how you get on with the activity!

See you soon,

The Modern Languages Department
