

French Transition Task

We would like you to find out about a French speaking country. It does not have to be France, because there are lots of countries all over the world where French is the spoken language. On a sheet of paper please copy and fill in the information for your selected country.

My chosen country is _____

This is the national flag

The population is _____

_____ shares its borders
with _____.

The capital city is
_____.

Famous people from this country are:

8 fantastic facts about this country are:

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.
- 8.

Now you know some interesting facts about France or a French speaking country, it is your challenge to present this information. It could be in the form of a fact sheet, a collage, a model, a poster or you might even like to bake something, which would represent the country you have researched!

You can be as imaginative as possible!

You might like to include:

Information about towns or cities

Food

Festivals

Sport

Culture

Music

Famous People

French monuments

Or anything else of interest!
