

Dear student,

The Geography department at St Thomas More can't wait to meet you. We would love to know where your favourite place in the world is and why. This could be a place where you have visited or a place where you would love to visit in the future. You can present this work however you like e.g. a poster/postcard - why not be as creative as you can? Here is Mr Logie's favourite place, would you agree?

Regards,

The STM Geography department.

St Thomas More
RC Academy

I am very lucky and have had the chance to visit lots of exciting places around the world, some with my family, some with my wife and many with Mr Murray and other teachers from school as part of the amazing school trips we offer at St Thomas More.

I now have 2 children (a 4 year old girl and an 18 month old boy), and my youngest absolutely loves Peppa Pig! The place I would really like to go to at the moment is Peppa Pig World near Southampton. I went there when my daughter was 2 and also loved Peppa Pig. Seeing the excitement on her face all day is something that never gets old, and I would love my son to experience it too.

It might not be the most obvious Geography teacher choice, but Geography is such a big subject that I would disagree. Peppa Pig world is all about tourism, it's all about national and global connections, and it's all about a globally recognised character that is shown in 118 countries and is worth approximately £1.4billion.
