

German Transition Work

Welcome to A-level German! We are delighted that you intend to study German to A-level and we very much look forward to working with you in Year 12. Over the next few weeks the following tasks aim to consolidate your GCSE vocabulary and grammar. They will also challenge you as you make the transition from GCSE to A Level. Try to immerse yourself in as much German as you can over the coming weeks. Practise your German regularly and remember little and often is the key. If you are unsure about any of the tasks below, please email:
