7 September 2020

Dear Parents and Carers,

Over the weekend a member of staff at St Thomas More has tested positive for Covid 19 and is therefore self isolating. The member of staff has identified where they contracted the virus and I can reassure you that it was not in any way connected with school.

I have been in contact with the Public Health England Protection Team to discuss the situation and the potential risk to other students and staff. Due to the limited contact that the member of staff had with students, no students are considered to be at risk. In line with health protection guidelines, one other member of staff has been asked to self isolate for 14 days.

I know that news of any case of Covid 19 in the school community may be unsettling but please can I again reassure you that the measures we have in place at St Thomas More will keep students and staff as safe as possible.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'D Watson', is written over a thin horizontal line.

Mr D Watson
Headteacher
