Dear Parent / Carer,

On behalf of the Governing Body, and all the staff, I am delighted to welcome your child to St Thomas More Catholic High School. This is the start of our Parent-School partnership and we look forward to working with you to ensure your child receives the very best education and can take advantage of all the opportunities school provides.

Each year we welcome our Year 6 students to St Thomas More for a two day visit at the end of June, however, due to the current circumstances we cannot be 100% sure that this can happen in the usual way. Please be assured that no matter the circumstances we will do all that we can to ensure a smooth and happy transition. Mrs Dixon, our Transition Coordinator, is working with staff from all primary schools to prepare a transition experience to enable your son or daughter to feel comfortable and secure about the transfer from primary to secondary.

I'm sure you will have lots of questions over the coming weeks and months but please rest assured that we will endeavour to keep you updated and provide more information about the transition programme. We will be back in touch with you soon to request that you complete the Student Data and Consent Forms and provide details about purchasing school uniform.

To enable us to keep in touch it is important that we have up to date contact details for you. Please complete the 'Transition Contact Details' form in the Transition area of the school website, or alternatively scan the QR code below and complete the short form.

I wish you and your family well, and we look forward to welcoming you to St Thomas More soon.

Yours faithfully

Mr D Watson
