June 2021

Dear Parents and Carers,

As you will be aware the number of Covid cases in the local community is rapidly increasing, and we are also seeing an increase in the number of positive cases in school resulting in several bubbles having to self-isolate.

Following additional Government guidance and local public health guidance we are now in a position where we cannot safely invite the Year 6 pupils to STM for the Transition days. We are so disappointed that we cannot offer a physical transition experience however it is with the best interests of all students and families in mind.

As an alternative we will be offering all Year 6 pupils a virtual transition experience. We will continue to work with our Primary partners to provide videos and transition activities to help prepare the year 6 pupils for the move to STM. Last year we ran a similar programme for the current Year 7 and they found it enjoyable and helpful.

I do hope that you understand the difficult position we find ourselves in and rest assured that we will do all that we can to ensure a smooth transition for your children with your support.

Many thanks for your ongoing support,

Mrs K Dixon
