June 2021

Dear Parent/Carer,

To complete the registration process for your child we require a **Student Registration and Consent form** to be completed. This form provides the school with up to date contact details, emergency contacts, medical and background information. In addition to this it also allows you to provide your consent for a variety of activities. This form takes around 10 - 15 minutes to complete.

If you have not already completed the Student Registration and Consent Form we would appreciate it if you could do so by **Friday 25th June**. The form is available in the Transition area of the STM school website, or alternatively please [click here](#) to go directly to the form.

If you have already completed the Student Registration and Consent form you do not need to complete it again.

It is important that we have your completed form prior to the Transition visits in July. Further information about the Transition visits will be sent out this week.

Please do not hesitate to contact me if you have any queries.

Yours sincerely

Mrs K Dixon
