October 2021

Dear Parent / Carer

I would like to invite you to our **online Year 12 Parents' Evening on Thursday 18<sup>th</sup> November 2021, 3.20 – 6.20pm.**

Using a system called 'SchoolCloud Parents' Evening System' you will be able to make appointments to speak to your child's subject teachers **via a video or audio call**. It is a simple system to use and only requires you to use your name, your child's name and date of birth to log in. School cloud is a website platform, and can be accessed from iPhone and Android phones, iPads and tablets, as well as laptops and desktop devices.

Appointments are either 5 or 10 minutes long, with a short 10 second break in between. Using the SchoolCloud system appointments will automatically end at the scheduled time to ensure that all appointments run on time. A countdown timer will be visible on your screen so you are able to complete your discussion in the time available. Teachers cannot extend or reschedule appointments during the parents' evening. If you would like to invite a second parent/carer to join your appointments please see the guide available on the school website.

Staff will do their best to see as many parents/carers as they can but as you can appreciate some teachers may not be able to see everyone who requests an appointment. However, the SchoolCloud system does have a waiting list which you can request to join for a specific teacher. If a slot becomes available you may be added closer to the evening to see that teacher. If you are allocated an appointment you will be notified by email.

We are also offering appointments to meet with Mrs Borwick, Head of Year 12, during this parents' evening. It is not essential that parents and carers meet with Mrs Borwick however if you have a **specific pastoral concern** please book an appointment. Please remember that Mrs Borwick and Mr Towns (Assistant Head of Year 12) are available throughout the term should you need to speak to them.

In addition to school staff, we also have 10 minute appointments available for our Careers Advisor, Lee Pattison from Connexions. If you would like to discuss future pathways to college, apprenticeship or university for your child please make an appointment to speak to Lee.

Bookings for this event are on a first come, first served basis. Bookings will open on **Tuesday 2<sup>nd</sup> November at 8am** and bookings will close on **Tuesday 16<sup>th</sup> November at 4pm**. Please log in to this website to make your appointments: <https://stmschool.schoolcloud.co.uk>

The details you require to log into School Cloud are:

Parent title, Parent first name, Parent surname

Child first name, Child surname

Child's date of birth

To join your appointments on the 18<sup>th</sup> November, please log into SchoolCloud and click the green 'Join Video Appointments' button on the homepage.

There are further guides and support available on the school website, [click here](#) to view. If you have any queries regarding the parents' evening please contact the school by email, [info@stmacademy.org.uk](mailto:info@stmacademy.org.uk).

Yours sincerely
