Dear Parent/Carer,

The Transition area of the St Thomas More school website is now available. You can access the Parent Handbook, videos and welcome letters from current STM students. The parent handbook contains lots of key information that you will find useful in preparation for September. The Transition area can be accessed via the banner on the main homepage or by [clicking here](#).

To complete the registration process for your child we require a **Student Registration and Consent form** to be completed. This form provides the school with up to date contact details, emergency contacts, medical and background information. In addition to this it also asks you to provide your consent for a variety of activities including school photographs, school trips and allowing your child to use their fingerprint to pay for their school lunches. This form takes around 10 minutes to complete.

Please complete the online form by **Friday 16th June**, you can access the form by [clicking here](#) or via the Transition area on the school website.

Please do not hesitate to contact me if you have any queries.

Yours sincerely

Mrs Dixon

Transition Coordinator
St Thomas More Catholic High School
